Dear Sir,

Many thanks for training 50 Edhi Ambulance Drivers & Clerks, in Cardiac First Response (CFR) Practitioner Course from 15<sup>th</sup> to 18<sup>th</sup> February 2009, and to select two of our volunteers for CFR Instructor Course.

We like to improve our Ambulance Services in Emergency case. If these courses are run regulatory in next few years, We offer our centre all over Pakistan for training for D.R.I.P & NASC team. We also would like to sign M.O.U (Memorandum of Understanding) regarding this programme.

Thanking you,

Regards
